Façade Interiors & Furniture offers a wide variety of products for the home. "Inspired by fashion and nature, our interiors and products possess a timeless quality that celebrate architectural details and classic design." Façade is a furniture and accessory retail showroom, offering a full spectrum design service. Our interiors feature a blend of found objects and custom designed furniture. Trends include everything from Minimalist, Organic, and Bohemian to Decadent and Regency Glam.

Signature Service:
Our signature services include New Build or Renovation Design, Material Specification and Furniture Plans, including Product Selections.

We are open to the public and work closely with our customers to design or accessorize with a style that reflects the owners personality. Whether you are looking to chat about a new renovation, or just pick up a new pillow, rug, lamp, we are here, ready to add style to any space.

Secret to our Success:
We are passionate about offering loyal customer service, and consistent high quality products, at affordable prices.

New products:
We are constantly carrying new collections, which always includes Canadian Made Products.
